

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF MICHIGAN  
NORTHERN DIVISION

ANN COFFEY,

Plaintiff,

v.

CITY OF FREEPORT, et al.,

Defendant.

---

Case No. 2:21-cv-258

Hon. Hala Y. Jarbou

**ORDER**

On April 11, 2022, Magistrate Judge Maarten Vermaat issued a Report and Recommendation (R&R) recommending that the Court dismiss Plaintiff's complaint (ECF No. 9) as frivolous and for failure to state a claim upon which relief may be granted, and, to the extent that Plaintiff asserts state-law claims, that the Court decline to exercise its supplemental jurisdiction. The R&R was duly served on the parties. No objections have been filed, and the deadline for doing so expired.<sup>1</sup> On review, the Court concludes that the R&R correctly analyzes the issues and makes a sound recommendation.

Accordingly,

**IT IS ORDERED** that the R&R (ECF No. 9) is **APPROVED** and **ADOPTED** as the opinion of the Court.

---

<sup>1</sup> After Plaintiff requested additional time to respond to the R&R, the Court gave her until May 12, 2022, to file objections. She did not meet the extended deadline.

**IT IS FURTHER ORDERED** that the Court **CERTIFIES** that an appeal would not be taken in good faith. 28 U.S.C. § 1915(a)(3).

A judgment will issue in accordance with this order.

Date: May 17, 2022
